MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Rotation Plans for USAF Details Assigned to OSA

REFERENCE : Memorandum from DDCI to DD/S&T, dated
3 October 1963

1. This memorandum is for your information and is responsive to your request.

25X1A 2. Attached is a schedule of the officer personnel assigned to OSA whose tours will expire in calendar year 1964. It will be noted that no senior officer assigned to [REDACTED] will complete his third year of assignment prior to 1 September 1964. The schedule indicates the disposition taken on each case.

3. Normally, an extension or release and requisitioning of a replacement is arranged twelve months in advance of the officer's tour expiration date. This is necessary in view of the lead time required to requisition and clear personnel. I might add that Colonel Geary has been of great assistance to us in arranging tour extensions for needed officer personnel.

4. In determining tour extensions, we obtain the concurrence of the officer involved in addition to that of his superior prior to making the formal request.
